

S.L.A.A. 12 Step Weekend Retreat 2017—Chester, Vermont

March 24 – 26 * July 14 – 16 * September 29 – October 1 * December 15 – 17, 2017

Please note that we hold retreats in Chester, VT & Attleboro, MA.

Anorexia focus and Massachusetts retreats have a separate registration form.

Step study is a key tool to recovery in the S.L.A.A. program. At the retreat weekend we do an intensive study of the 12 Steps--together.

If you have worked on the Steps in this type of format before, you already know its value. If you have not done any study of the Steps, intensive or otherwise, this is a great way to do it, especially the first time. Regardless of where we are in the Step study process, we are able to learn from sharing our experience, strength and hope with each other.

Location & Host: The retreat house is located in Chester, Vermont, approximately 3 hours from Boston. The retreat is a privately owned home that offers its space for recovery retreats. Although **NEI and S.L.A.A. members run the Step study itself**, our host does participate in some parts of the weekend. The only people invited to participate in this weekend are S.L.A.A. members or people who feel they can benefit from our program.
