

S.L.A.A. 12 Step Weekend Retreat with ANOREXIA FOCUS
September 7-9, 2018

What is Anorexia?

In the S.L.A.A. pamphlet called "ANOREXIA Sexual, Social, Emotional" published in 1992, anorexia is defined as the "compulsive avoidance of giving or receiving social, sexual, or emotional nourishment." In S.L.A.A., anorexia can also be about not nourishing ourselves with love, affection, intimacy, friendship, and our own self-esteem. For many of us, it's a kind of "stuckness" or inertia. A quick way to help figure out whether anorexia might be an issue for you is by answering the "50 Questions of Anorexia" printed in the pamphlet or posted online at www.slaafws.org.

(At this retreat we will be using the ANOREXIA STEP MATERIALS being developed by S.L.A.A.)

Step study is a key tool to recovery in the S.L.A.A.

program: At the retreat weekend we do an intensive study of the 12 Steps--together. If you have worked on the Steps in this type of format before, you already know its value. If you have not done any study of the Steps, intensive or otherwise, this is a great way to do it, especially the first time. Regardless of where we are in the Step study process, we are able to learn from sharing our experience, strength and hope with each other.

Location & Host:

The retreat house is located in Chester, Vermont (approximately 3 hours from Boston.) The retreat space is run by a recovering addict. Although **NEI and S.L.A.A. members run the Step study itself**, our host does participate in some parts of the weekend as a recovering addict. The only people invited to participate in this weekend are S.L.A.A. members or people who feel they can benefit from our program.

Extra Support and Ground Rules:

We try to be aware of people's concerns, needs, and issues. The ground rules will be handed out at the beginning of the retreat.

The following guidelines/supports have been built into the weekend:

- ◆ There is no sobriety requirement to attend, but participants **MUST STAY SOBER DURING THE WEEKEND**. This ensures that everyone can attend in safety and work together to expand our recovery. People will be asked to leave if they do not abide by this rule.
- ◆ Temporary sponsorship availability. This tool will help people to work through feelings and issues that may come up as a result of the work they are doing during the weekend. The process can be quite intense and exhausting, so the additional weekend sponsorship can be particularly helpful to those who are feeling in danger of acting out or just need to process feelings, etc.
- ◆ Social activity--fun. Many of us feel tired and overwhelmed by the marathon meetings. The group activity helps with the process during the weekend. It helps to enhance the experience and nurture our need to take care of ourselves by lightening up a bit. **SUGGESTIONS ARE WELCOME!!**
- ◆ Longer lunch on Saturday and more break time. The timing of the weekends lends to the wonderfulness of the area and time of year. There are lots of things to do and see in the area: including great little shops and Bill W.'s (co-founder of A.A.) birthplace. All can offer well deserved distractions, if needed. Taking time out from the intensity of the weekend for relaxation, even a nap, can make us more refreshed and open to the miracles of the process.

If you have any questions, issues, or concerns, please email the Retreat Coordinator at vtweekend@slaanei.org or call NEI at 617/625-7961 and leave a message for the Retreat Coordinator.

We hope you will be able to join us for this very special weekend!
