S.L.A.A. 12 Step Weekend Retreat – December 13 – 15, 2024

Step study is a key tool to recovery in the S.L.A.A. program:

At the retreat weekend we do an intensive study of the 12 Steps--together. If you have worked on the Steps in this type of format before, you already know its value. If you have not done any study of the Steps, intensive or otherwise, this is a great way to do it, especially the first time. Regardless of where we are in the Step study process, we can learn from sharing our experience, strength and hope with each other.

Schedule: Group arrival starts Friday afternoon at 4:00PM. The weekend is concluded on Sunday in time for a 12:30pm lunch (which is provided). Departure is no later than 3:00 PM on Sunday.

(A final detailed schedule will be sent to you prior to the retreat.)

- NEI reserves the right to cancel the weekend if it does not receive the required number of reservations (15) prior to the start of the retreat or if the State of Massachusetts issues emergency orders preventing the retreat.
- We ask participants not to attend the retreat if they are sick. If on the day of the retreat you are sick, contact the retreat coordinators and let them know you will not be able to attend.

Extra Support and Ground Rules:

We try to be aware of people's concerns, needs and issues. As a result, we have come up with a number of safeguards and ground rules to make the weekend safe and enjoyable to all who wish to participate. The ground rules list will be sent to all participants with their confirmation and handouts will be provided at the weekend.

The following guidelines/supports have been built into the weekend:

- Self-defined sobriety must be kept throughout the weekend.** Although there is no sobriety requirement for attending this weekend, we are asking all participants to stay sober during the event to make the retreat safe for everyone. If you do act out during the weekend, we will ask you to leave.
- Getting current during the weekend.** There will be opportunities to use this tool during the weekend as part of the schedule or one-on-one with a temporary sponsor.
- Temporary sponsorship availability.** This tool will help people to work through feelings and issues that may come up because of the work they are doing during the weekend. The process can be quite intense and exhausting, so the additional weekend sponsorship can be particularly helpful to those who are feeling in danger of acting out or just need to process feelings, etc.

Social activity—fun. Many of us feel tired and overwhelmed by the marathon meetings. The group activity helps with the process during the weekend. We find it enhances the experience & nurturing our need to take care of ourselves by lightening up a bit. The December Retreat at LaSalette allows people to enjoy the Festival of Lights held on site after dark and we include a group present swap game at the conclusion of Saturday night’s program that can be quite fun

Longer break on Saturday. The timing of the weekends lends to the wonderfulness of the area and time of year. Taking time out from the intensity of the weekend for relaxation, even a nap, can make us more refreshed and open to the miracles of the process.
