

NEI currently has contact/representative information for 70% of its groups (**43 of 61 groups**) in the NEI service area. Please see summary below to see if your group has a designated group contact and/or NEI representative. NEI is asking that each meeting provide 2 contacts to NEI (or 1 at the very least). We need your help in providing this information to Intergroup.

NEI requests this information in case we need to assist members/newcomers find a meeting, answer questions, find out if group will be meeting on major holiday/during inclement weather, whether group is still active if attendee shows up at a meeting and no one was there, etc. Unless we have a way to get in touch with the group we may not be able to provide this information to a prospective attendee.

New England Intergroup (NEI) Meeting Information Form

Use this form to notify NEI of the most up-to-date meeting information. NEI's meeting list is published four times a year & covers meetings in Eastern MA and RI. The meeting list is used by NEI's 24-hour answering service when newcomers call to inquire about meeting information, such as location & time, how many people attend a particular meeting, what a meeting format is like, etc. There are other times when members want to know if a meeting will still occur on a particular day if there is inclement weather or if a meeting day coincides with a major holiday (i.e., Thanksgiving, New Year's Eve). Updated group contact(s) are crucial so that details can be provided to newcomers/members who may not be familiar with a particular meeting. Without group contact information, NEI is unable to provide accurate information to those who inquire via telephone or web site.

Each meeting, on a group-by-group basis, should also decide whether to publish their address information on NEI's web site at <http://www.slaanei.org/meetinginfo.html>. **If a new meeting starts, one ends, or there is some other important change, PLEASE let us know.** A copy of this form is available on the NEI website at <http://www.slaanei.org/neiforms.html>.
